6. Afterthoughts on Material Civilization and Capitalism

"In this concise book... Braudel summarizes the broad themes of his three-volume "Civilisation materielle et capitalisme, 1400-1800" and offers his reflections on the historian's craft and on the nature of the historical imagination... Taken as a whole, the book is provocative and stimulating. On occasion, it rises to revelation when two or three sentences of compressed but brilliant prose ...
